How to achieve your qualification with Always Consult

We will have a phone/email conversation first to determine if the qualification is right for you. You will complete a registration form which identifies any learning needs and previous experience. We also use your information to register you with ILM. All your details are kept securely – we do not sell them on.

Following your induction, you will be allocated an assessor. We use the full range of assessment methods. These include typed assignments, professional discussions and observations.

You will have contact from your assessor on a regular basis. Our learners do not say “I never hear from my assessor”. We are proud of our personal touch, level of support and how accessible we are. These elements have helped us achieve our 100% success pass rate!

Workshops will be offered covering all units, and will mostly be delivered on Teams or Zoom, with additional support by e-mail or Teams when required. Observations of coaching and mentoring will be required.
